ATTENTION!

1. Read the more detailed manual included in the box if you are unsure about any of the steps in this guide.
2. The pictures in this guide may not look like your chair but the instruction is same regardless of model.
3. Verify all parts before assembly.
4. Do not use chair unless all bolts and screws are tight. At least every six months check all bolts and screws to ensure they are tight.
5. Do not use this chair as a step stool/ladder.
